SUMMER ACTIVITY GUIDE

FUN & CREATIVE SUMMER ACTIVITIES

Low & No Cost Ideas to Keep Kids Active

Use QR Code or visit www.expectmoretehama.com

WELCOME, SUMMER 2023!

Summer is upon us and everyone can benefit from some fun activities. You can help your children enjoy summer and stay engaged in learning by keeping them active and taking advantage of what we have in the area. Watch our Facebook page as more activities surface. Let's support those activities that are being held by filling all of their available seats! Share the guide and tell your friends about fun activities. Let us know about something new so we can also share.

Tehama County is not letting the pandemic define our future. Special thanks to the staff at all of our schools for their hard work and dedication to our students in 2022-23!!

WATCH FOR UPDATES

Expect More Tehama will be sharing about activities as we hear about them. Watch for updates via Facebook and Instagram!

PLAY, PLAY, PLAY.

Play is powerful stuff. It helps us learn even faster! Take time and play with your kids. It's good for you, too.

PH: 530-384-2772

VISIT A STATE PARK WITH A PASS

The Tehama County Library in partnership with the First Partner's Office, the California State Library, and State Park, is pleased to be providing free vehicle day-use entry to over 200 participating state parks. The State Library Parks Pass is valid for entry of one passenger vehicle with a capacity of nine people or less or one highway licensed motorcycle.

Tehama County library card holders can check out the State Library Parks Pass at any of our 3 locations. If you don't have a library card, visit us to get one. The State Library Parks Pass works just like checking out a book. You get it for three weeks. We do ask that when you return it you bring it up to the front counter instead of using our book drops. Some restrictions apply.

Connect to Critical Resources

2-1-1

What Is 2-1-1?

2-1-1 is a free, confidential telephone helpline and website that connects people with local resources they need. People of all ages can quickly get information and referrals to health and human services in over 150 languages. We're here 24 hours a day, seven days a week, for both everyday needs and times of crisis.

How Can I Access 2-1-1?

By phone:

From Tehama County, dial 2-1-1 toll-free from any phone, cell or landline. You will talk with a live, trained service professional in your area.

To reach 2-1-1 NorCal resources from a phone outside the county, use the county's 800 number: 2-1-1 Tehama: 1-866-963-8182

By text:

You can text your zip code to TXT211 (898-211) to talk with a live specialist, 24 hours a day, seven days a week, 365 days a year. This two-way texting service is available in English and Spanish.

*Standard message and data rates may apply. Text STOP to opt-out. For end-user privacy and terms and conditions of texting with 898-211, visit www.preventionpaystext.com/policies.

SUMMER 2023

Visit Lassen

[HTTPS://WWW.NPS.GOV/LAVO/INDEX.HTM](https://www.nps.gov/lavo/index.htm)

THIS YEAR'S SNOWPACK IS MAY CHANGE OR DELAY REGULAR SUMMER ACTIVITIES IN THE PARK. CHECK CONDITIONS BEFORE MAKING THE TRIP.

Ranger-led Programs Information about daily program offerings will be posted outside the Loomis Museum and Kohm Yahmah-nee Visitor Center, when available.

Field Seminars Learn more at go.nps.gov/lavo/seminar.

Hiking

Climb volcanoes, marvel at hydrothermal areas, explore lakeshores, and so much more. Choose from a selection of easy to strenuous day hikes.

Swimming The high-elevation lakes in the park offer a refreshing reprieve from summer heat. Entering thermal waters is prohibited and extremely dangerous. Tread Lightly on Lakeshores and Wetlands. Help protect these sensitive habitats by staying on hard surfaces and off of flowers.

Picnicking Enjoy lunch at any of the scenic spots along the park highway, or find a picnic table at Kohm Yah-mah-nee Visitor Center, Lake Helen, Manzanita Lake, Kings Creek Picnic Area (charcoal disposal available), Butte Lake (charcoal grills available), or along the northern shore of Summit Lake.

Backpacking

Experience Wilderness Venture just beyond the highway to enter Lassen Volcanic Wilderness and experience nature at its wildest. 75% of the park is designated Wilderness and is managed to minimize human influence and preserve natural conditions.

Wildflower Viewing Blooms appear May through September in park meadows and valleys, and along lakeshores. View a wildflower guide at go.nps.gov/lavo/flora or purchase one at Lassen Association stores.

Go Biking! Bikes are welcome on roads and parking areas (not on hiking trails). There are no bike trails in the park. Helmets are highly recommended for adults and are required under California law for children age 17 and younger. Biking on the park highway is recommended only for experienced riders; there are no shoulders or bike lanes. Road cyclists must ride single file and be attentive to passing vehicles that may not be aware of cyclists. Bicyclists may also use the gravel roads into Butte and Juniper Lake areas and Warner Valley road (13 miles pavement then 3 gravel).

Boating Boating is popular on Manzanita Lake, Butte Lake, Summit Lake, and Juniper Lake. Only non-motorized watercraft are permitted. Put in and take out is restricted to designated boat launches at Manzanita and Butte Lakes. Watercraft are not permitted on Boiling Springs Lake, Emerald Lake, Reflection Lake, and Lake Helen. Children under 13 years of age must wear a Coast Guard-approved life jacket.

Fishing California fishing regulations apply to all areas within the park. A California license is required; children under 16 years of age do not require a license. Fishing is not permitted at Manzanita and Butte Lake boat launch areas or in Manzanita Creek above Manzanita Lake (to protect nesting birds, spawning fish, and their habitats). Fishing in Manzanita Lake is limited to catch and release with artificial lures (no bait) and a single, barbless hook only. Lakes with trout species include: Manzanita, Butte, Horseshoe, Ridge, Terrace, Summit, Snag, and Crystal. Creeks with fish include: North Fork Bailey, North Arm Rice, Hat, Hot Springs, Kings, Summit, and Grassy.

SOCCER FOR THE LITTLES

Northern California Child Development Inc.

Is offering a Pre-School Soccer Camp

This summer for children ages 3-5
